# Activity: Position statement

21

1. Look at the vision statement. Together decide what the matters are that form part of the Olifants CSO position.
2. Decide what matters are most urgent for the Olifants CSOs.
3. Break into groups around each topic
4. Decide what the CSOs position should be with respect to the topic
5. Discuss this in detail in plenary

2. Break into groups - one group per topic
3. In your groups decide on whether you would like to write a letter of concern or a letter of demand.
  - a. You need to decide who you will be sending the letter to - be specific
  - b. Decide who you will send a copy to (include LRC, media, municipality and so on)
4. Report back to the group on the nature of the draft letter

We would like to thank:

For the grant that funded the Civil Society Support Initiative  
And making the 18 Indabas over two years possible
